Joint Guide to Information

GUIDE TO INFORMATION AVAILABLE THROUGH THE OUR PUBLICATION SCHEMES 2017

The Freedom of Information (Scotland) Act 2002 (the Act) requires Scottish public authorities to produce and maintain a publication scheme. Authorities are under a legal obligation to:

- publish the classes of information that they make routinely available
- tell the public how to access the information and what it might cost.

Lanarkshire Valuation Joint Board and the Assessor for Lanarkshire Valuation Joint Board have adopted the **Model Publication Scheme** produced by the Scottish Information Commissioner on 29 March 2016.

You can see this scheme on our website at www.lanarkshire-vjb.gov.uk or by contacting us at the address below.

The purpose of this Guide to Information is to:

- allow you to see what information is available (and what is not available) in relation to each class
- state what charges may be applied
- explain how you can find the information easily
- provide contact details for enquiries and to get help with accessing the information
- explain how to request information we hold that has not been published

The Guide is split into the following sections:

- Availability and formats
- Exempt information
- Copyright
- Charges
- Contact us
- The classes of information that we publish

If you prefer you can contact us on 01698 476000 to ask for a hard copy of the Guide to be posted to you.

Availability and formats

The information we publish through the model scheme is, wherever possible, available on our website. We offer alternative arrangements for people who do not want to, or cannot, access the information online or by inspection at our premises. For example, we can usually arrange to send information to you in paper copy (although there may be a charge for this - see charges below).

Exempt information

We will publish the information we hold that falls within the classes of information below. If a document contains information that is exempt under Scotland's freedom of information laws (for example sensitive personal information or a trade secret), we will remove or 'black out' the information before publication and explain why.

Lanarkshire Valuation Joint Board and the Assessor for Lanarkshire Valuation Joint Board hold the copyright for the vast majority of information in the publication schemes. All of the information can be copied or reproduced without our formal permission, provided it is copied or reproduced accurately, is not used in a misleading context, and provided that the source of the material is identified.

The publication scheme may, however, contain information where the copyright holder is not Lanarkshire Valuation Joint Board or the Assessor for Lanarkshire Valuation Joint Board. In most cases the copyright holder will be obvious from the documents. In cases where the copyright is unclear, however, it is the responsibility of the person accessing the information to locate and seek the permission of the copyright holder before reproducing the material or in any other way breaching the rights of the copyright holder.

Information about Crown copyright material is available on the website of the Queens Printer for Scotland at www.oqps.gov.uk

Charges

This section explains when we may make a charge for our publications and how any charge will be calculated.

There is no charge to view information on our website, the SAA website or at our premises except where there is a statutory fee, for example, for access to registers. You can see a list of our statutory fees here.

Statutory Fees determined by the *Representation of the People (Scotland) Regulations 2001*

The Edited Electoral Register

This version of the electoral register does not include the names of those electors whose names appear in the Full version of the Register but who have taken advantage of the Representation of the People Legislation and chosen to have their names excluded from the Edited version of the Register, which can be sold to anyone. The charges are detailed below:

a) Data Format Copy

The fee for purchasing a copy of the register in data format, is at the rate of £20 per Constituency plus £1.50 for each 1,000 entries (or remaining entries) in it.

b) Printed Paper Copy

The fee for purchasing a copy of the register in the printed form, is at the rate of £10 per Constituency plus £5.00 for each 1,000 entries (or remaining entries) in it

There are a small number of pre-printed publications for which the Assessor for LVJB makes a charge. These documents include the Valuation Roll (including Draft Valuation Roll) and Council Tax Lists
